This manual is an overview of organizational supply and field service operations for all Army units, not just Quartermaster units. It is written for supply operations personnel, S4 officers, and commanders at battalion level and below. The manual is based on doctrine in FMs 8-10 10-1, 100-5, and 100-10. Planning: Supervisors must carry out the unit mission with the equipment and personnel available. They must be aware of the kinds of problems they will face. This manual details unit supply procedures and describes methods to organize unit resources. Operations: This manual summarizes existing doctrine. It gives suggestions and standards based on field experience. It relates tactics, techniques, procedures, and policies that apply to company, detachment, and battalion supply operations. This item ships from La Vergne, TN. Paperback.
