Definitely one of the better publication I have got possibly read. It really is written in basic phrases and not difficult to understand. You won't sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).

PHYSICIANS FOR BROKENNESS: ONE OF THE PURPOSES OF MAN

iUniverse, United States, 2007. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In this age of pain, suffering, and fear, God often feels very far away. Finding answers to our human afflictions requires more than simply opening the Bible: we must dig deeper. Physicians for Brokenness identifies the difficulties facing the human condition and effectively shows how we can live in a world riddled with brokenness. Theologist R. Deborah Williams suggests that to truly know why brokenness exists in our world, we must first address its history. Only then can we see that God does not want us to stay uncomforted, but instead wants to help. Williams shows that the answer is in Jesus Christ who redeems, heals, and restores us to a place of wholeness. We are made whole in order to serve those in need through the power of Jesus Christ. By acting like the Good Samaritan, we are instrumental in restoring health and being true physicians to the broken.
