Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

CARING FOR MYSELF: A SOCIAL SKILLS STORYBOOK (HARDBACK)

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2007. Hardback. Book Condition: New. 249 x 180 mm. Language: English . Brand New Book. For a child with an autism spectrum disorder (ASD), even everyday activities like brushing your teeth, washing your hands or visiting the doctor can cause anxiety and stress because of the sensory, cognitive and communication impairments they experience. Caring for Myself is an entertaining and educational social skills storybook that will help children with ASDs to understand the importance of taking care of their bodies. Fully illustrated with colour photographs, it sets out fun, simple steps that explain what caring for yourself actually involves - how you can do it, where it is done and why it is important. At the end of each story is a handy Pause for Thought page for parents which offers tips and strategies to help a child with each activity. This charming book will be much loved by children with ASD and will enable them and their parents to cope with the daily activities that can be such a challenge.
