

Florida Gardening: The Newcomer s Survival Manual

By Monica M Brandies

B. B.Mackey Books, United States, 2007. Paperback. Book Condition: New. 274 x 251 mm. Language: English . Brand New Book ***** Print on Demand *****. Florida Gardening: The Newcomer s Survival Manual, Second Edition by Monica Moran Brandies Even experienced gardeners who move to Florida need help in coping with their new landscape and garden. The climate, soil, plants, and pests are so different from those in other places that the old techniques won t always do the job. Neither will garden guides written for a northern climate. Here is a garden guide written just for Florida. This new edition is greatly expanded but has Monica s friendly and informative advice, as it always did. With this guide you will avoid costly mistakes and quickly gain confidence and garden success! Noted garden writer Monica Brandies cheerfully tells how to: * prepare for the move * avoid mistakes as you make a Florida landscape plan * adjust familiar garden chores to the Florida climate * make the best tree, shrub, lawn, and plant choices * garden in an easy, environmentally friendly way and deal with pests * turn Florida sand into rich garden soil * use mulches and native plants to...

Reviews

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).

-- Prof. Kirk Cruickshank DDS

This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.
