

Day Trading Grain Futures: A Practical Guide to Trading for a Living

By David Bennett

Harriman House Publishing. Paperback. Book Condition: new. BRAND NEW PRINT ON DEMAND., Day Trading Grain Futures: A Practical Guide to Trading for a Living, David Bennett, This practical book provides you with everything you need to be able to day trade grain futures effectively. It opens with chapters explaining the author's preference for the grain futures markets, and his reasons for preferring to day trade, before going on to explain the fundamentals of trading and the more specific knowledge required for his chosen approach. In a concise, punchy style the reader is introduced to some timeless trading concepts, and shown how these ideas can be moulded into a trading system to attack the exhilarating grain markets. No sophisticated indicators or complex mathematics are found here. Instead, the author builds a system based on tried and true trading principles, combined with sound money management strategies. The particular challenge for a day trader during the volatile market open is to quickly identify support and resistance zones, and form a view on trend direction, based on limited information. The author describes how he does this, with detailed illustrations and real life examples. He then goes on to explain exactly how, based on the...
