Random House LCC US, 2015. Paperback. Condition: New. Language: English . Brand New Book. Winner of the Man Booker Prize Nothing since Cormac McCarthy's *The Road* has shaken me like this. The Washington Post From the author of the acclaimed *Gould's Book of Fish*, a magisterial novel of love and war that traces the life of one man from World War II to the present. *August, 1943*: Australian surgeon Dorrigo Evans is haunted by his affair with his uncle's young wife two years earlier. His life, in a brutal Japanese POW camp on the Thai-Burma Death Railway, is a daily struggle to save the men under his command. Until he receives a letter that will change him forever. A savagely beautiful novel about the many forms of good and evil, of truth and transcendence, as one man comes of age, prospers, only to discover all that he has lost. `.
