

Your Complete Feng Shui Companion for the Home and Office (Paperback)

By Kane Lee

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Feng Shui is the ancient Chinese art of living in harmony with your environment. It literally translates into wind and water. Feng Shui is often defined as the art of placement because much of it revolves around determining the positive or negative directions for the people, their dwellings and the relationship between them. Author Kane Lee offers insightful advice on how to apply the ancient teachings of Feng Shui to take the stresses away from modern living and create a unique and harmonious environment for yourself, family and colleagues whether it is in the home or in your place of work (sometimes your home!). Kane Lee also shows how Feng Shui can be applied in matters of personal well-being and finance. Reviews: The book is comprehensive and also handy to keep with you on your Kindle reading app and refer to as and when needed . Best read when sipping a coffee on your way to the Home and Garden Store . John MacNamara, Urban Living Blog Some great tips which I found very beneficial after moving house . Beverley Thornton.
