AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The purpose of this book is designed to help women quench their thirsts. We know how to quench our physical thirsts with the waters of the flesh (i.e. lusts, greed etc.) and the world (i.e. money, success, position etc.) Since we are not just made of physical parts, the spiritual part will remain unsatisfied until we drink from the Living Water, which is Jesus. Kelly Spencer peeled off the band-aid of private struggles of her past and exposed her wounds. Even at the expense of having friends or family angry, she talks openly about God s daily transformation in her life, so that others will know that they too can walk in victory and power by drinking from the Living Water. These short, thought provoking chapters will have you laughing, crying, and desiring a closer relationship with God. This book can be read in two ways: one, as a personal self-enrichment manual, and two, as a bible study aid. Sisterella at the Well is formatted in Four Sections for easy reading Section One - Sisterahgirl - defines a woman from God s perspective and highlights several areas that leave them dry. Section Two - Show Me Your Wounds - author s personal account of how God transformed her from a victim to a victor. Section Three - Help A Sistah Out-Lessons From The Heart - Bible study lessons created to ignite a spark that will lead to an increased life of faith, stewardship, fasting and prayer. Section Four - Journey to Wholeness - designed to bring healing and restoration to those who are broken.
