Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This isn't porn. Everyone always asks and some of our family thinks it is for sure, but it's not. This is our story of how we simplified our life. With kids and crap. So, no porn here folks, just a real emotionally written break up with the American dream. If that's your kind of porn, then I guess this is definitely for you. We are and we did what lots of people are doing these days dropping out of corporate America, selling all the crap, pulling the kids out of school, buying an RV and hitting the road in pursuit of a new American dream. One of simplicity and quality time together as a family. Trading in careers for self fulfilling entrepreneurial lifestyles and hands on education giving us unfiltered learning. Except, we had to pioneer this trail back in 2001, long before the popularity of this lifestyle took off. The internet had a handful of blogs on it at the time and only two of them had to do with RVing. One of them turning out to be crazy religious nut jobs and not at all the kind of inspiration we were looking for. We spent months nearly breaking the internet trying to find some sort of proof that we weren't alone in our quest to break free from our successful lives in the American dream. Doing this at a time when social media, community, and connection were non-existent and if you wanted to share your status, you'd have to yell it from your front yard. At the pinnacle of our career and working for the two biggest companies in the world at the time,...
