MONSTER AND CHIPS

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Monster and Chips, David O'Connell, Meet the amazing monster customers and sample the foul-food served up daily at Fuzzby's diner - the brilliant setting for this innovative series from debut author and illustrator, David O'Connell. Somewhere in suburbia, or maybe smack-bang in the middle of your city, there is a very special diner. What's so special about it? Well it does the best chips ANYWHERE but also its customers are a little bit 'unusual'.some people say they are monsters.The diner is hard to find, you have to look carefully, in fact some people say only a special kind of kid can find this special kind of diner. But maybe that kid could be you? When Joe the 'hooman' gets a job at Fuzzby's diner, he learns to bake zombie-cupcakes, exploding milkshakes and not to stare at the customers - even the ones who are see-through. He also foils a terrible plan to sabotage the annual Grand Cooking Competition. With a Special's Board that'll make your tummy churn, take a seat at Fuzzby's and join the fun. Also available as a full-colour ebook, with multi-coloured monsters on every page!.
