Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Naval Chronicle, Vol. 24: Containing a General and Biographical History of the Royal Navy of the United Kingdom With a Variety of Original Papers on Nautical Subjects Spence, in the preface to his Polymetis, says, there is not any sort of writing which he sits down to with so much reluctance as that of prefaces: as we are somewhat inclined to his opinion, and moreover believe that most people are not much more given to reading them, than we are fond of writing them, we shall, for the readers sake as well as our own, get over this as fast as is consistent with our duty. For, notwithstanding ordinary readers may be apt to skip over these little compositions, and that some even consider them as so many pages lost, the case is different with us; we have what may be called a literary duty to perform, and the present is one of the stated periods for that performance. We have to justify principles, to acknowledge patronage, to vindicate conduct, or to record gratitude....
