Mission to Athens: A Judge Marcus Flavius Severus Mystery in Ancient Rome (Paperback)

By Alan Scribner

Createspace Independent Publishing Platform, 2017.
 Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mission to Athens is the 5th in the highly acclaimed and best selling historical mystery series set at the height of the Roman Empire. The year is now 167 CE, two years after the events in The Return of Spartacus. In Mission to Athens Judge Severus delves into a famous historical cold case, a murder trial held in the Roman Senate in 160 CE. The defendant was Herodes Atticus, the richest and one of the most learned men in Greece, a member of the Senate himself, and a teacher and friend of both the emperor Marcus Aurelius and his younger co-emperor Lucius Verus. The victim was Herodes pregnant young wife Regilla. Though acquitted by the Senate, many thought Herodes was guilty, saved by political influence and interference. To this day, scholars are uncertain about his culpability. Seven years after the trial, plague has broken out in Rome - the scourge known to history as the Antonine Plague. Judge Severus and his wife Artemisia decide to take the whole family to Athens, the city where Artemisia grew up and where Severus was...
