ENGLAND S STORY: A HISTORY FOR GRAMMAR AND HIGH SCHOOLS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from England s Story: A History for Grammar and High Schools The purpose of England s Story is to give students in the upper grammar grades or the Junior High School a broad, simple basis for their later reading and study of history and literature. In all the history of empire there is nothing more remarkable than the fact that part of one small island should in the course of ten centuries have become the ruler of more than 433,000,000 people and have acquired more than 12,000,000 square miles of territory, situated in Europe, Asia, Africa, America, and Australasia. How this was brought about, a tale which is always new and always interesting, is the story told by the following pages. The former edition has succeeded far beyond the author s hopes when the book was written. May this new edition, bringing the story down through the World War, serve to interest many more young people in the history of our neighbors across the sea.
