

## The Four Asian Tigers: Economic Development and the Global Political Economy (Hardback)

By -

Emerald Publishing Limited, United Kingdom, 1998. Hardback. Condition: New. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. This book critically examines the geopolitical and economic contexts of the region's export-oriented industrialization. The first part of the book focuses on the global and regional elements of the economic system and recent geo-politics. The second part of the book focuses on the domestic actors and institutions which played critical roles in the miracle economies of East Asia. This collection of original papers describes the economic developments and environment that underlie the East Asian NICs. Through a comparison of the Four Tigers - South Korea, Taiwan, Hong Kong, and Singapore - the contributors deliver a case-oriented study that explains the region's most successful economies. This book is the first region-wide comparative study to provide readers with country-specific information about economic environments and development. The authors examine the transferability of this region's experience to others. It charts the successful dynamic relationships between geopolitical, economic, and social resources. It is relevant to sociological and economic studies. There are in-depth case studies combined with comparative...
