

Ground State: Odyssey of the Last Scientist (Paperback)

By Anthony Stender

Outskirts Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Science seems to advance more rapidly with every passing year. Yet, some day in the not so distant future, the age of science will reach its peak and begin to fade away. Such is the setting for Ground State. Unbeknownst to most of the world, the last great scientific discoveries are being made at a facility operated by the Committee. The Committee is a secretive government contractor that freely ignores ethics in order to accomplish its goals and to keep its employees in line. Into this environment steps Tracy Stenzel, a bright and humble young woman. Tracy always wanted to be a scientist, but like many brilliant minds before her, she feels stymied by departmental politics during graduate school. As a result, Tracy quits school and accepts a promising position with the Committee. Within a year's time, Tracy is transformed into a cunning and valuable member of the group. However, she has also lost her innocence and all connections with her family. At first, Tracy accepts her new life and all of the sacrifices that go with it. But in...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.

-- Prof. Arlie Bogan

It is in a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
