AuthorHouse. Paperback. Condition: New. 100 pages. Dimensions: 7.8in. x 5.0in. x 0.4in. In this new non-fiction book by Kurt B. Bakley entitled *The Nativity*, you will receive new information on when the birth of Christ happened. It will show you the exact date and year He was born. This book will also show you where the wise men were from and that one of their three names has been discovered on an ancient coin in eastern Iran or Afghanistan. There will be new information on exactly what the star of Bethlehem was. Also revealed are ancient prophecies, given in the Bible in the book of Daniel chapters 9 and 12, that predicted the year Christ was born, the year he would start his ministry, the exact day of His death, and the possible year of His Second Coming. Revealing information will tell how an ancient Egyptian carving depicts the day Christ would be born in the Chinese Year of the Snake and conceived in the Year of the Dragon just as Revelation chapter 12 indicates. All of this is documented from the Bible, astronomy, astrology, including Chinese astrology, numerology, archeology, history and ancient gentile buildings and knowledge, all giving the exact day and year. Also new astronomy computer programs show what the star of Bethlehem was when the wise men came west two years after the birth of Christ. Some of the information in this book is old and was in the Bible and ancient Egypt all along, but people just didn't understand it or analyze it correctly. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
