SITTING NEXT TO ANGELS (PAPERBACK)

Createspace Independent Publishing Platform, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Often churches have empty seats but are these really empty? Is there someone sitting next to you? Could it be your guardian angel? Perhaps it s not only churches where empty seats are occupied by your guardian angels. Have you ever sat down in a chair and felt a sudden breeze or chill blowing cold against your heated cheeks when the whole room is warm or felt your car rock on a windy day? We all go on our busy lives concentrating on what we are doing or think we must do. We don t take notice of everything around us especially anything unusual or extraordinary. Christians, Muslims, Buddhists and Jews believe there are guardian angels that watch over you and may also guide you. In the catholic catechism it says that, From infancy to death all human life is surrounded by the watchful care and intercession of angels. Angels have been around long before human souls existed, supervised by archangels and activated by God. Some people believe we always have access to angels. All we have to do is ask. There are millions upon millions of angels all around us, but many have a local presence. They will influence your senses and imagination, but not your will and remain with you even in heaven and may even be sitting right next to you right now.
