

From Science to God: A Physicists Journey into the Mystery of Consciousness

By Peter Russell

Yogi Impressions Books Pvt. Ltd., Mumbai, India, 2015.
Softcover. Book Condition: New. First Edition. From Science to God offers a crash course in the nature of reality. It is the story of Peter Russells lifelong exploration into the nature of consciousness how he went from being a strict atheist, studying mathematics and physics at Cambridge University, to realizing a profound personal synthesis of the mystical and scientific. Using his own tale of curiosity and exploration as the books backbone, Russell blends physics, psychology, and philosophy to reach a new worldview in which consciousness is a fundamental quality of creation. He shows how all the ingredients for this worldview are in place; nothing new needs to be discovered. We have only to put the pieces together and explore the new picture of reality that emerges. From Science to God is as much a personal story of an open-minded skeptic as it is a tour de force of scientific and religious paradigm shifts. Russell takes us from Galileos den to the lecture halls of Cambridge where he studied with Stephen Hawking. "If you had asked me then if there was a God," says the best-selling author of his scientific beginnings, "I would have..."
