

Creating Moments of Joy (4th)

Filesize: 1.33 MB

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Ally Reichel)

CREATING MOMENTS OF JOY (4TH)

Purdue University Press. Paperback. Book Condition: new. BRAND NEW, Creating Moments of Joy (4th), Jolene Brackey, Jolene Brackey has a vision. A vision that will soon look beyond the challenges of Alzheimer's disease and focus more of our energy on creating moments of joy. When a person has short-term memory loss, his life is made up of moments. But if you think about it, our memory is made up of moments, too. We are not able to create a perfectly wonderful day with someone who has dementia, but it is absolutely attainable to create a perfectly wonderful moment; a moment that puts a smile on their face, a twinkle in their eye, or triggers a memory. Five minutes later, they won't remember what you did or said, but the feeling you left them with will linger.
