

When a Grandparent Dies: A Kids Own Workbook for Dealing with Shiva and the Year Beyond

By Nechama Liss-Levinson

Jewish Lights Publishing. Hardcover. Book Condition: New. Hardcover. 48 pages. Dimensions: 10.0in. x 8.0in. x 0.4in. The death of a grandparent is often a child's first encounter with grief. Why did this happen? What should I do? How do I feel? When a Grandparent Dies helps children to participate in the process of mourning, and to overcome the awkwardness that can often accompany the traditional grieving rituals and events. Drawing on psychology and Jewish tradition, this workbook guides children from the immediacy of shiva through the entire year of mourning. For ages 7 to 13, it combines sensitive, down-to-earth guided exercises with places to write, draw, list, create, and express feelings. When a Grandparent Dies gives children and parents a unique opportunity for sharing as they come to know more about themselves, their family, and the complexities of life and death. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.

Reviews

An extremely wonderful pdf with perfect and lucid information. Better than never, though I am quite late in starting reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Elenor Koch PhD**

This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.
