

The Laws of Thought

By George Boole

Prometheus Books. Paperback. Book Condition: new. BRAND NEW, The Laws of Thought, George Boole, This groundbreaking work on logic by the brilliant 19th-century English mathematician George Boole remains influential to this day. Boole's major contribution was to demonstrate conclusively that the symbolic expressions of algebra could be adapted to convey the fundamental principles and operations of logic, which hitherto had been expressed only in words. Boole was thus the founder of today's science of symbolic logic.
