## THE FATHER (PAPERBACK)

Dover Publications Inc., United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. Many experiences in the personal life of dramatist August Strindberg involved duels between the sexes, with ruthless, aggressive women usurping the supposedly male prerogatives of decision-making and leadership. Strindberg explores this theme in depth in *The Father* ? a highly emotional study of marital upheaval and a no-holds-barred struggle between man and woman. One of Strindberg s best works, the stage play remains one of the most gripping psychological dramas of modern theater. Biographical Note.
