CICO Books. Paperback. Book Condition: new. BRAND NEW, An Angel by Your Side, Jenny Smedley, A collection of incredible true stories of angelic rescue and ways to welcome angels into your life. It doesn't need a miracle of epic proportions to prove that angels are on your side. This book has its fair share of stunning true stories of angelic rescue, but it also places focus on the minutiae of angelic signs and interventions that happen every day. This will help you understand how taking notice of the smallest thing in everyday life can lead to you becoming guided and protected by angels. Angels make use of anything and everything to send messages to their charges. Even some events that seem natural can turn out to be of angelic invention. It's all down to the timing. Angels can make use of technology, phones, computers, TVs, and so on. They can create signs and signals in everything from clouds to rainbows to iPods. They can make use of animals and will often send a furry, feathered, or even scaly friend with a message. Angel expert Jenny Smedley shares people's true experiences of angels. As well as offering insight on those accounts, she helps you to discover and benefit from your own angels. Beautifully illustrated throughout, An Angel By Your Side is an incredible book that will offer hope and inspiration to people in their hour of need.
