GOING BOVINE (PAPERBACK)

Bantam Doubleday Dell Publishing Group Inc, United States, 2010. Paperback. Condition: New. Reissue. Language: English . Brand New Book. From the author of the Gemma Doyle trilogy and The Diviners series, this groundbreaking New York Times bestseller and winner of the Michael L. Printz Award for literary excellence is smart, funny, and layered, raves Entertainment Weekly. All 16-year-old Cameron wants is to get through high school--and life in general--with a minimum of effort. It s not a lot to ask. But that s before he s given some bad news: he s sick and he s going to die. Which totally sucks. Hope arrives in the winged form of Dulcie, a loopy punk angel/possible hallucination with a bad sugar habit. She tells Cam there is a cure--if he s willing to go in search of it. With the help of a death-obsessed, video-gaming dwarf and a yard gnome, Cam sets off on the mother of all road trips through a twisted America . . . into the heart of what matters most. From acclaimed author Libba Bray comes a dark comedic journey that poses the questions: Why are we here? What is real? What makes microwave popcorn so good? Why must we die? And how do we really learn to live? A hilarious and hallucinatory quest. --The New York Times Sublimely surreal. --People Libba Bray s fabulous new book will, with any justice, be a cult classic. The kind of book you take with you to college, in the hopes that your roommate will turn out to have packed their own copy, too. Reading it is like discovering an alternate version of The Phantom Tollbooth, where Holden Caulfield has hit Milo over the head and stolen his car, his token, and his tollbooth. There s adventure and tragedy here, a...
