REAL LEADERSHIP! ARE YOU READY?: RETHINKING AND REFRAMING PERSONAL AND ORGANIZATIONAL POTENTIAL AND PERFORMANCE (PAPERBACK)

Dog Ear Publishing, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As Leadership goes, so goes the group, the organization, the nation, et al. Yet in spite of this multi-millennial axiom and the simple fact that we are the best leadership educated society in the history of business, our encounters with genuine leaders remain extremely rare. Real Leadership! Are You Ready? examines this perplexing phenomenon and qualifies the problem as an unwillingness and/or inability to use new leadership information to improve our performance. It also provides the solution: a Leadership Enrichment LIFE-cycle (LEL-c) to help individuals and organizations build and sustain durable Leadership Platforms. If you are ready to enrich your personal leadership and raise the level of leadership in your organization, this book is for you. But I caution you ahead of time-this book and its measures of merit are a little different than the typical leadership development offering. It won't offer instant solutions or allow for a casual engagement by the passive reader. No! It offers much more than that. The principal measure of merit for Real Leadership! Are You Ready? is the extent to which it will steal you and your organization away from the impersonal and futile trappings of fake leadership and enable you to move toward the personal and productive outcomes of Real Leadership. With your commitment and this book as a guide, the personal and organizational platforms that emerge will not only provide better support for the weight of those who choose to follow your lead, they will actually be able to withstand the world's difficult tests of time and torrent. Richard S. Dillard is an author and award-winning Performance Solutions Executive who really enjoys helping others improve personal and organizational effectiveness and efficiency....
