Brand New Book ***** Print on Demand *****.Many Christians today do not care about attending a Biblical church or finding the true church that Jesus founded because they have a wrong conception about what a church is and they believe that the local assembly founded by Christ do not exist. However if you would study Matthew 16: 18, you will learn that His church will continue to perpetuate because Christ made a promise that, even the gates of hell shall not prevail against her. And I say also unto thee, That thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it. --Matthew 16:18 The problem is that a lot of Christians are confused about the meaning of the church, and many are made to believe that this has reference to a universal invisible church and not a local visible assembly. Is there really a universal invisible church? Is the universal church idea Biblical? This book shares 17 reasons why the universal church idea is unscriptural. The church describes in the Bible is a local visible assembly. One will not be interested to learn about the history and perpetuity of the Lord s church without a clear understanding of the Lord s church. It is my prayer that readers of this book will be enlightened about the real meaning of the church.
