Icon Books. Paperback. Condition: New. 224 pages. Struggle to stick to your goals, making new resolutions that always end up broken This time, make them stick. Youll start by identifying what success means to you, building goals around what you really want and what you have the potential to achieve. With the benefit of expert insights, real-life case studies and powerful techniques, youll build day-to-day strategies to help define and reach your goals, overcome obstacles and succeed in the face of adversity. If youre looking to reach your full potential whether its making a personal change, achieving a sporting goal, or putting a business plan into practice this book will give you the map to changing your life, and enjoying the journey. This A-Z guide distils the top tips and guidance from a range of disciplines, including positive psychology, motivational coaching, neurolinguistic programming (NLP) and sports psychology. Whatever your goal or ambition whether its improving your quality of life, making a career change, or training for a sporting endeavor this guide will help you first to recognize and define your goals, then to set out a plan for achieving them, with day-to-day strategies to reach your goals and overcome obstacles. Moreover, this book will help you learn to enjoy the process of goal-setting and to enjoy the success you achieve. The tools used in the book are based on psychological principles and are put to use by the authors in their coaching practice. Case studies help to provide perspective, to see your own issues and experiences reflected through the struggles and successes of others. Exercises help you to recognize priorities, interests, needs and goals. Psychological principles are introduced as key concepts throughout to help you understand the mental processes that can help and hinder you from setting and achieving your...
